Accelerating the Pace of Reentry

Cuyahoga County Reentry Awareness Week highlights the ways the Office of Reentry and our community partners support successful reentry.

We are working collectively to address policy barriers that perpetuate re-involvement with the criminal justice system.

We have coordinated events as part of Cuyahoga County Reentry Awareness Week to raise consciousness around the barriers facing returning citizens, provide substantive information regarding resources and program linkages, and elevating and uplifting the success of returning citizens who have accelerated the path of a successful return.
