

Towards Employment

Policy Action Plan 2025

We champion the potential of every person to succeed in a rewarding career, and work to strengthen workforce policies that provide pathways to opportunity for all workers.

POLICY MISSION

We promote policies that align with efforts to break down barriers to economic mobility for our community.
We educate and advocate for a more impactful workforce system where everyone has access to family sustaining wages and quality jobs.

GOAL

Expand Opportunities for Untapped Talent: Influence policy shifts that address barriers and promote investment in skills training, job quality and second chance hiring.

3 ACTION AREAS

ACTION:

1

Build more on ramps to in demand careers and improve job quality particularly at the front line/ essential job categories

Promote investment in high-quality skills training and strengthened career navigation supports; and incentivize employers to support internal pathways to advancement.

2

Create more employment opportunities for individuals with criminal justice experience

Decrease the number of barriers that hinder individuals with previous involvement with the criminal justice system to obtain employment with livable wages and career paths.

3

Acknowledge and address the social determinants of work

Advocate for better integration of more holistic supports into workforce programming to increase engagement, retention, and advancement in the workforce, leveraging TE alumni voice in storytelling.
