Since 2016 a group of young adult providers has been convening as partners to advance OhioMeansJobs Cleveland/Cuyahoga & Cuyahoga County Job & Family Services' vision for comprehensive young adult services.

The young adult workforce steering committee envisions a young adult workforce ecosystem that aligns to support young adults and offers equitable access to improved programming that will reduce racial disparities in outcomes for the young adults of Cuyahoga County.

These 5 partners also serve as CCMEP out of school providers.

Cuyahoga Community College, Ohio's first and largest community college, provides high quality, accessible and affordable educational opportunities and services — including university transfer, technical and lifelong learning programs — that promote individual development and improve the overall quality of life in a multicultural community.
