

Towards Employment

Don't Wait to Start Your Future!

Towards Employment is here to help you find transportation, connect you to housing resources and family support. We can even help provide uniforms and tools! It would be an honor if we could help you move forward in any way.

TE CAN HELP YOU IF...

- Your criminal justice involvement stops you from getting a good job or career.
- Your current job is not challenging you.
- You want to earn industry credentials or your GED (see back for credentials).
- You want to advance in your career.
- You want to be able to better support your family with a steady schedule and better wages.
